

Form and Instructions for Certification by Attorney or Accredited Representative for Remote Participation in an Affirmative Asylum and/or NACARA 203 Interview

Department of Homeland Security
U.S. Citizenship and Immigration Services

USCIS
Form G-1593

How to Use This Form

This form is used by an attorney or accredited representative of record to participate remotely by telephone in an asylum interview. An applicant has the right to have an attorney or accredited representative present at their asylum and their Nicaraguan Adjustment and Central American Relief Act (NACARA) 203 interview.

Instructions

For each Form I-589, Application for Asylum and for Withholding of Removal, and Form I-881, Application for Suspension of Deportation or Special Rule Cancellation of Removal (Pursuant to Section 203 of Public Law 105-100, NACARA), you must submit this completed and signed form to U.S. Citizenship and Immigration Services (USCIS) at least 10 days before the scheduled interview.

If you ask to change from remote participation to in-person participation by submitting this form less than 10 days before the interview, USCIS may reschedule the interview. Any resulting delays from rescheduling due to late submission of this form will be considered an applicant-caused delay with regards to employment authorization based on a pending asylum application.

If you are the attorney or accredited representative of record, USCIS will not move forward with the interview without your participation unless the applicant signs Form G-1594, Waiver of Presence of Representative During an Asylum or a NACARA 203 Interview.

NOTE: If an applicant notifies USCIS that the attorney or accredited representative of record no longer represents them, the officer will notify the applicant that the interview will proceed as if they are not represented, and USCIS will provide any subsequent notices only to the applicant until we receive a new Form G-28, Notice of Entry of Appearance as Attorney or Accredited Representative, in their case.
